# About...

「A simpler way to find a suitable place for a person's  
vacation」

Places are search by location.  
With a step, one can get list of places!

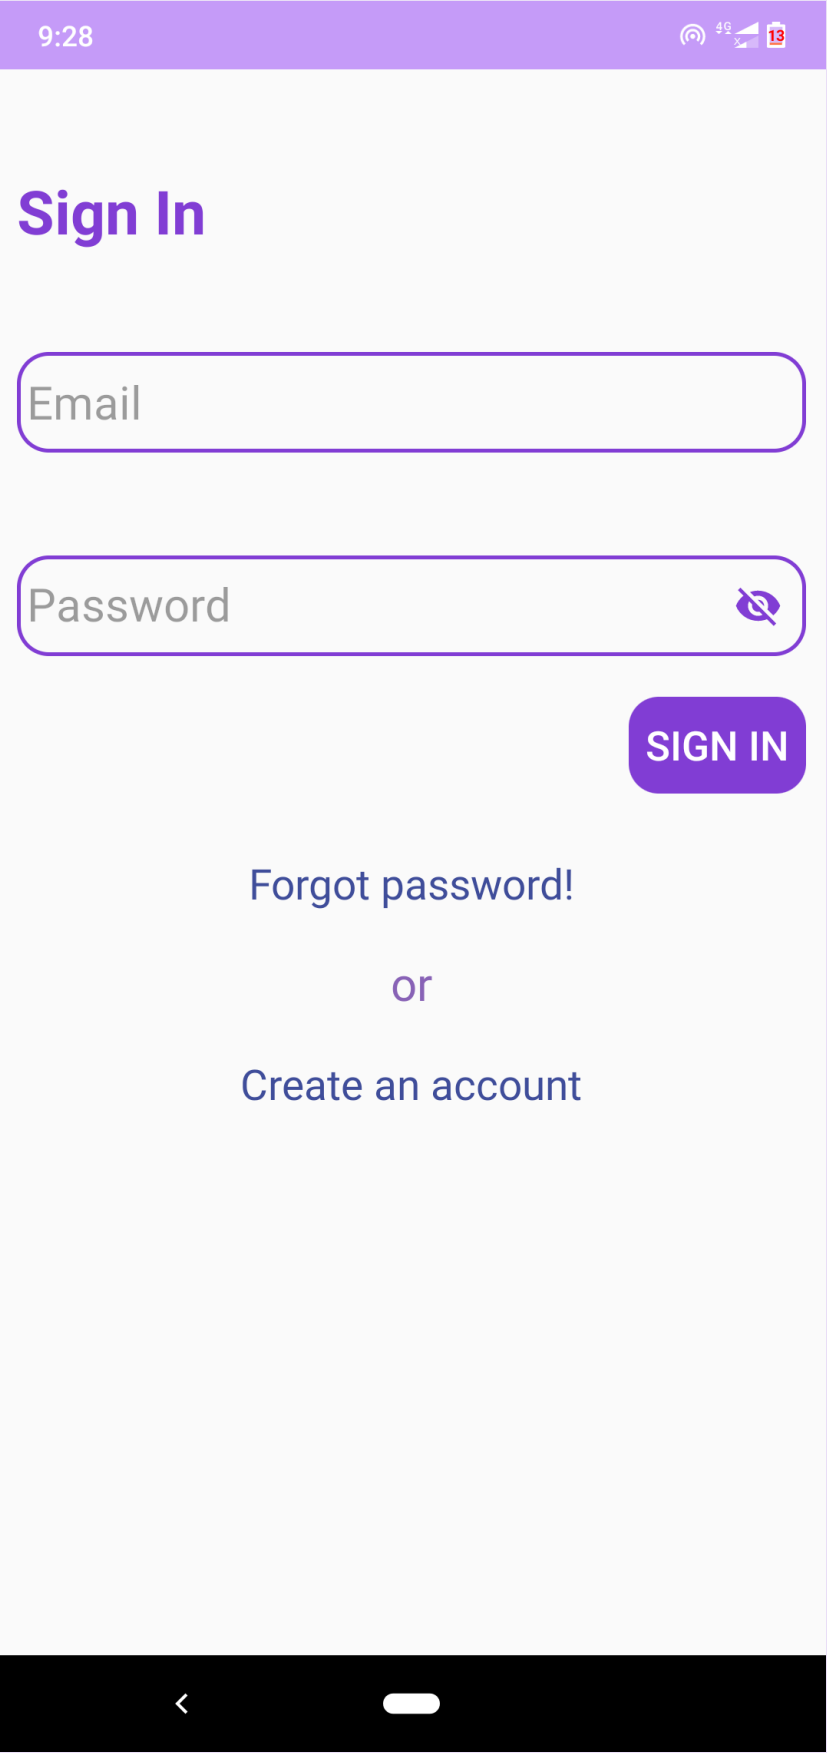

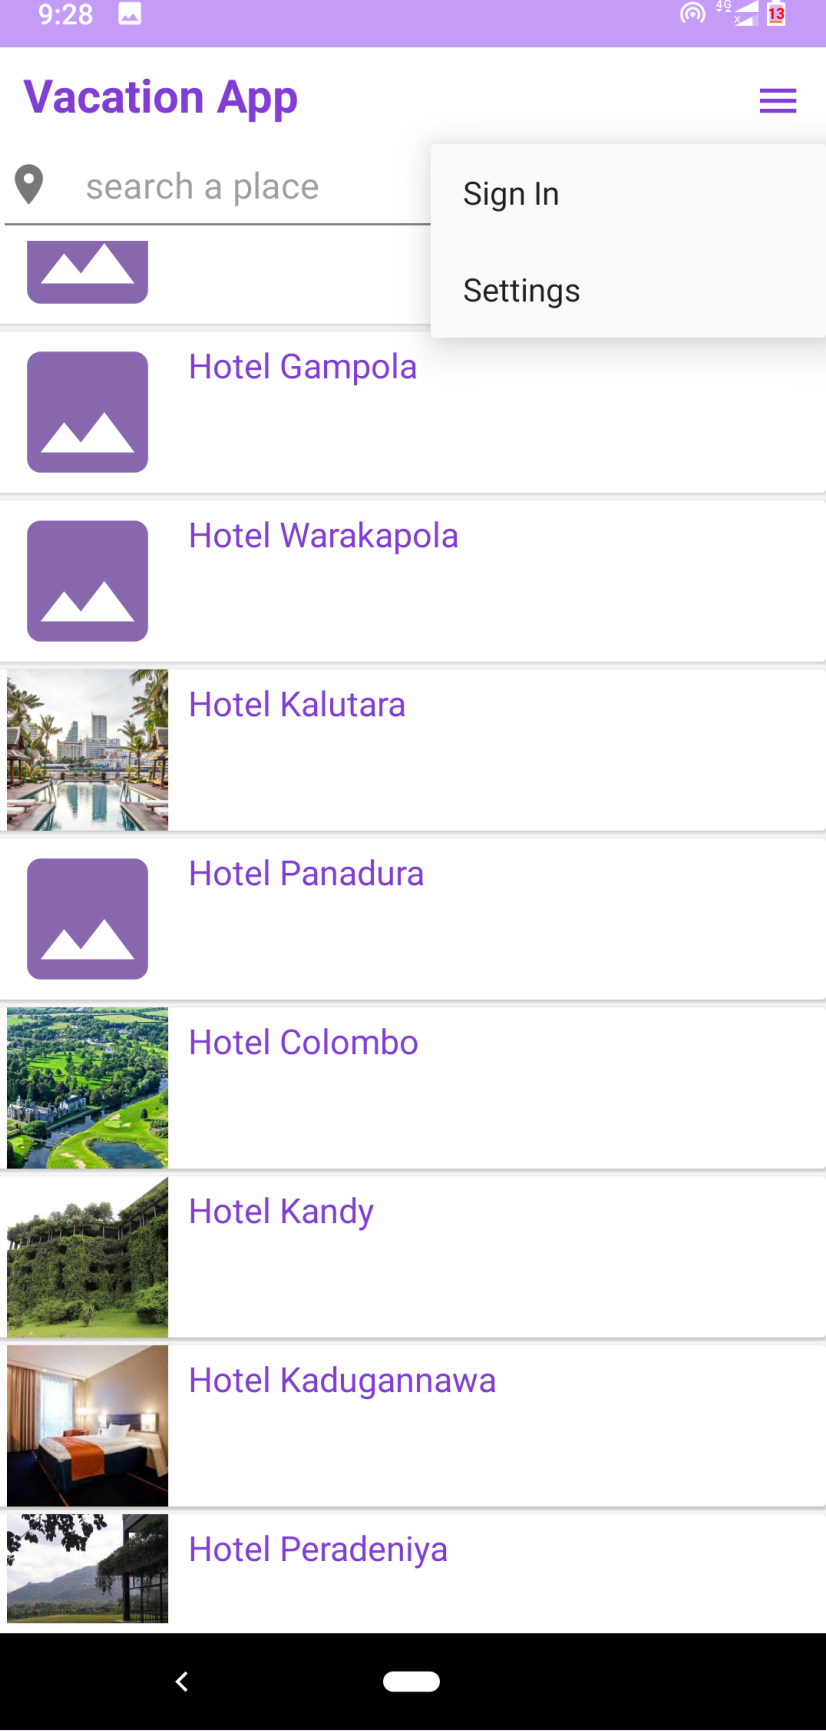

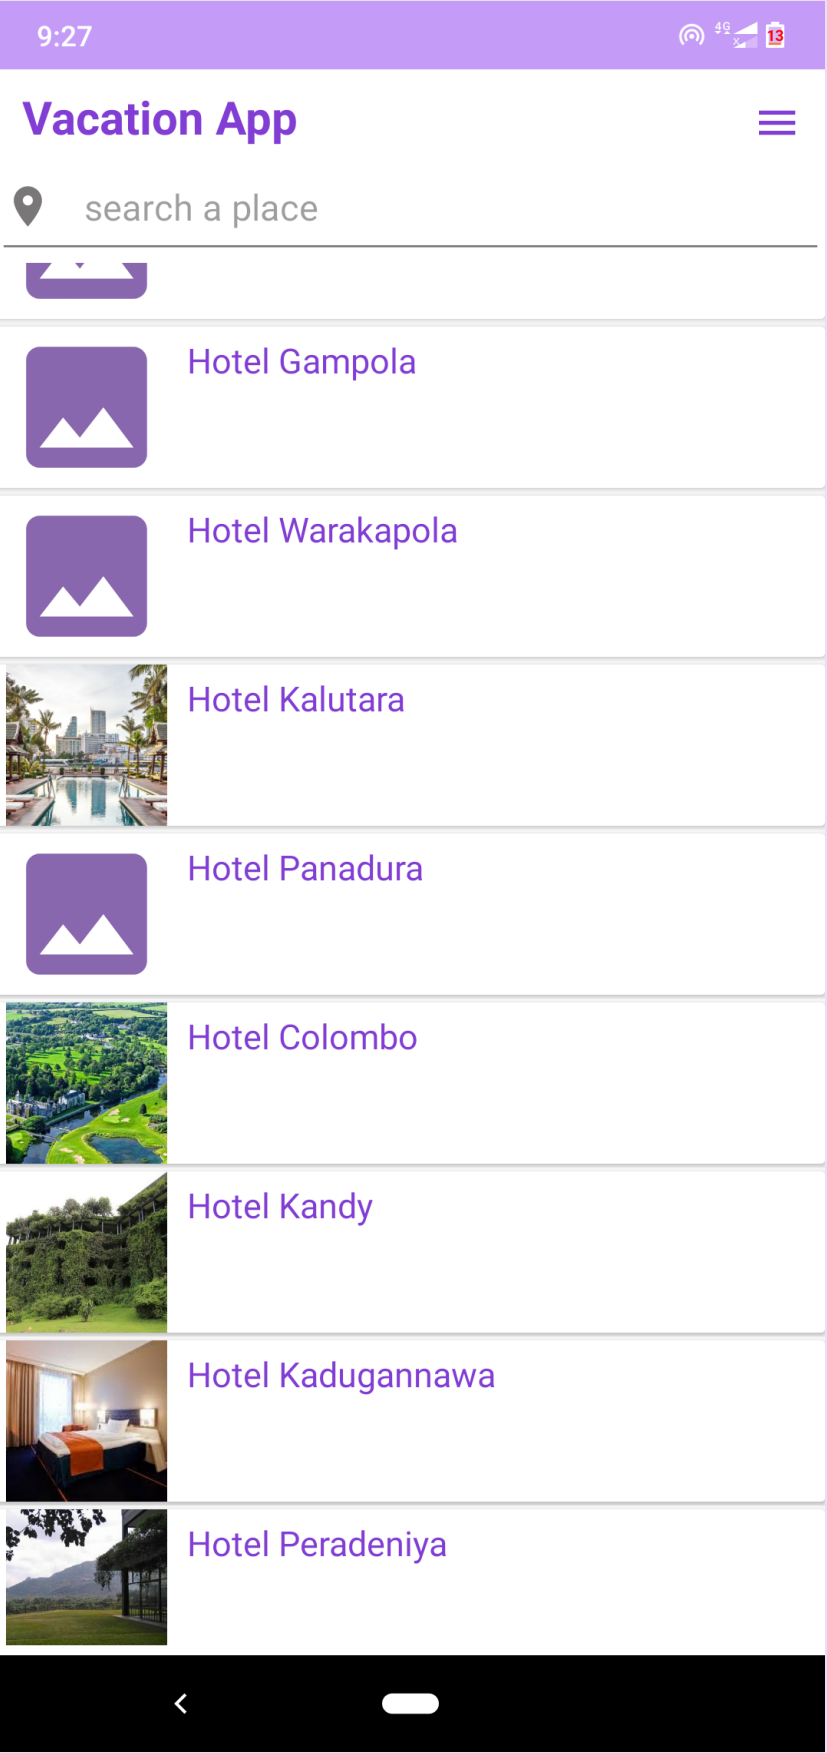

Service providers can post there listings with ease

# Goal...

Want to go somewhere for a rest, party? just searching by area,  
all listings by that will be shown. Easy access...  
Check prices, packages and many more as you wish!!

- finding the best is important -

Service providers/ Owners can list competitively & attractively
